

Our Lady of Sorrows Church
March 11, 2018

From the Pastor's Desk

My Dear People:

Security: Last Wednesday evening we had some 80 people attending the security meeting with questions and suggestions. We are grateful for those who are so interested on behalf of our great OLS community.

Retired Marine Colonel, Bruce Bright, chaired the meeting and will head up a committee that will follow up on the many ideas brought out. Lt. Brundage and Officer Mangels (both Homewood Police Dept.) were with us, and the Lieutenant from our Police Department gave us great insights and represented our local police with a wonderful sense of cooperation.

Resolve: We will have a police presence, car and personnel, during all school hours. We will also have the same as regards Sunday Masses.

We will work more on keeping certain doors locked. The committee will work on better exit signs and evacuation routes for any and all type of emergencies.

Awareness of anyone coming into the Church or around the grounds, who looks suspicious, should be reported. We will expand the usage of more radio-carrying ushers and others so that issues can be more immediately addressed.

Having more volunteers to be "greeters" at the door seemed to be a noted suggestion.

On the plus side, we already have much security with the "fob" system of the FLC and the key pads at the School, Mom's Day Out, and the Catholic Children's Learning Center. The Fire Marshall keeps us well prepared for emergencies.

Jefferson County has put out information sheets, and on the subject of probability, it was noted that there would be a one in six million chance of an individual House of Worship experiencing a "shooter". I am still looking for a probability fraction for schools.

Not probable, but, as so many other things, it could be possible...but rare. Still, we need to lessen, in every way, any such possible tragedy as what happened in Parkland, Florida.

Bishop Foley's terminal, incurable cancer has been announced on local T.V., as well as on EWTN. I saw him this past Tuesday evening. We had a wonderful visit. He is full of faith and trust in the mercy of God. He sees the advance notice of 3-4 months a blessing from God. He has served our diocese extremely well and has confirmed so many of our own parishioners. We all can use extra prayers, and he does ask for them.

With prayers and blessings,
Father Muller

Dear Msgr. Muller,

Thank you very much for the continued support we receive from you and your Parish. The help that the Catholic Center of Concern gives to those who experience emergencies would be much less without Our Lady of Sorrow's constant food and financial donations.

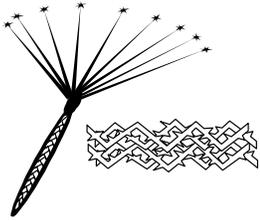

May God bless you and each family in your Parish for the attention given to the poor and the less fortunate ones. Please convey my sincere thanks to all your Parishioners.

We keep you, your associates, all your parishioners and their families in our daily prayers. We count on yours, too, to be able to continue in our ministry to our brothers and sisters in need.

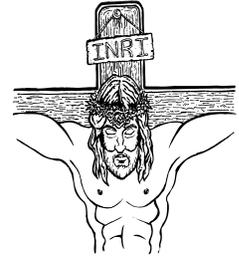

Have a Blessed and peace-filled New Year!

With gratitude,

Sister Zelia M. Cordeiro, MC
Director
