From the Pastor's Desk

My Dear People:

Mission Cooperative Sunday: I seldom emphasize those second collections, since I know of your generosity. However, this Mission Cooperative Sunday collection is special, since by virtue of our baptism we need to share the faith with others. There are great needs in this country, but we cannot ignore the need for help in India and Africa. These are places that supply us with priests in this diocese, where we don't have enough vocations for our own needs.

The four dioceses that will evenly split the total diocesan collection are two dioceses of India and one diocese in Cameroon, Africa (Fr. Wilfred's diocese). The fourth is a diocese in Malaysia, which has Archbishop Marino as the Pope's delegate. Conversion starts with the education of the very young. Catholic school buildings and teachers in all of these countries are a fraction of the cost of Catholic schools in this country.

In addition to catechetical buildings, the social work of taking care of the relatively few who do not have families to care for them is the work of the Church. The Catholic Church reaches out to these and to orphans. The enormous charity to the very needy on the part of the Church helps the non-christian take a strong look at the religion of charity to the needy.

When I was in the seminary in the 1950's, the state school for the deaf was 26 miles away, and the pastor needed catechists for the deaf children. He paid for gas and drivers to pick up four seminarians and take them to Fredrick, Maryland, to teach religion in the sign language. He would then pay another driver, etc., for our return trip to the seminary and his return back to Fredrick. The pastor shocked me when he told us seminarians that

from his vantage point, money for this was GRACE. Seminarians tend to be idealistic and this was a shocker. Today, as I see what financial support can do to spread the faith, I am willing to admit that money can be GRACE from God for catechetical work and the education of priests and catechists in these foreign countries.

While retaining our commitment to the parish finances and to Catholic Charities, please find something extra for these foreign countries, as we know, by virtue of our baptism, we have an obligation to do something to "spread the faith."

Fr. Wilfred's reception is today after the 11:30 a.m. Mass. Wednesday evening he came into my room, when I had planned to write *From the Pastor's Desk*, and chatted at length about the warmth and love of the people at OLS. He will miss us and we will definitely miss him. He left me a book of his memoirs and I could not stop reading it until I finished the whole book. So, he and I may both be in trouble with Nancy Montegut, who constructs the weekly bulletin, waiting for this indefinite length of my weekly communication with our people. I had to resolve to get up extra early on Thursday to have this on her desk a little past my deadline.

Senator Shelby has written a joint letter to all of us at OLS, since he received so many of our letters on hunger issues. Let me summarize: He appreciated the letters and will continue to vote for the WIC program (Women, Infants and Children), which supplies food supplements to those really in need, and also the SNAP (Supplimentary nutrition Assistance Program).

Congress just voted for \$6 billion for WIC, \$74 billion for SNAP, and \$24 billion for a similar financial help program.

He did emphasize that he favors policies that encourage personal responsibility over dependency – a helping hand, not hand-outs.

The Senator promised to continue to vote accordingly and appreciated the disposition of those who wrote on behalf of Bread for the World.

Since Senator Shelby wrote this long letter to the parish, I took the liberty to summarize it for all to read the salient parts.

With prayers and blessings,  
Father Muller

**ATTENTION:** On Saturday, June 30th, confessions will be heard in the Parish Hall from 3 – 4 p.m. instead of the Church.
