

*Our Lady of Sorrows Church*  
November 18, 2018

From the Pastor's Desk

My Dear People:

Purgatory is a firm teaching of the Church. There is a great reading in the Book of Wisdom which indicates many do not go to purgatory, while we know many do.

I personally think to myself: THE MORE ONE BELIEVES IN HELL, THE MORE ONE BELIEVES IN PURGATORY AND GOD'S MERCY. Also, the Church teaches firmly that our prayers, especially the Mass, can help the souls in purgatory. How much help is up to God?

Praying for our relatives, friends, and benefactors in purgatory is one of those issues for which we need reminders. The Church calendar tells us, starting with November 2, that November is the month we put a special emphasis on those in purgatory who would love to have our prayers and good works offered for them.

In the Eucharistic prayers at every Mass, after the consecration and offering of Jesus to the Father, we pray for the universal Church, and then AT EVERY MASS, we pray for those:

“...who have fallen asleep in the Hope of the resurrection and all who have died in your mercy. Welcome them into the light of your face.” (Eucharistic prayer #2)

Those whose names are on the altar are remembered at every Mass during November, with twelve extra Masses just for those names on the altar.

Thanksgiving is this Thursday, and when we give thanks we must give thanks to Whom? To God, the Giver of all gifts.

St. Paul to the Thessalonians said:

“...give thanks in all circumstances; for this is the will of God in Christ Jesus for you.”

Under what circumstances do we give thanks? For our parents, teachers, friends, eye sight, hearing, legs, feet, hands, health, doctors, hospitals, and the freedoms in this country, especially religious freedom and our gift of faith. We could list 25 or 50 things, such as our phones, clothes, roads, shoes, pets, etc.

I never tire of reading of the ten Lepers, wise enough to beg Jesus for help, but not all were wise enough to go back and thank Jesus when they realized they were cured.

The words of Jesus are powerfully telling us that Jesus wanted to be thanked, as he said to the one who came back to thank Him:

“Where are the other nine? Were not all ten made clean?”

This Thursday's Masses will be at 6:30, 7:30 and 10 a.m. The whole nation, with a national holiday, is reminded to give thanks to God for the countless blessings we receive in life, with the promise of perfect happiness in the next life, if we live lives of gratitude.

The Retreat for 52 high school students at Hargis from all day Saturday through all day Sunday (Nov. 10-11) was a dynamic success. Along with the 52 students were 12 adults to keep things organized. There were four priests, three for confession Saturday evening and Fr. Vu came Sunday morning for the Holy Sacrifice.

The theme of the retreat was to survive the Chaos of the daily schedule with school, decisions, tests, social life and sports. We need to plan to make time for Jesus, and a prayer life will keep us focused. Jesus took time for prayer. He is our model and dare we not also “make time for prayer.”

Ginny Dooley claimed the students left “on fire” for keeping in touch with the good Lord. She said one student admitted to her that she had not been to confession in four years. There was adoration of the Blessed Sacrament Saturday evening and confessions heard by Fr. Frankline, Fr. Balta and Fr. Liju.

The Holy Spirit 101 retreat was truly well attended and most appreciated. This was the week before, with four hours Friday and around twelve hours on that next Saturday.

The Advent Mission will be given by Fr. Vernon Huguley from St. Patrick's parish. He is already preparing for those three days, December 3, 4, and 5, with confessions the first night, anointing the second night, and the Holy Sacrifice the third night. The Mission begins at 7 p.m. each night. Look what I found on his program:

Lord, enlighten what is dark in me,  
Strengthen what is weak in me,  
Mend what is bruised in me,  
Heal what is sick in me, and lastly,  
Revive whatever peace and love has  
died in me. Amen.

With prayers and blessings,  
Father Muller

### **Tithing Tax Deduction**

If you are considering making a year-end parish donation, new tax laws have created a higher standard deduction and limitations of how much may be itemized. Many families will be left without the ability to deduct their tithing. Strategies are available to make your charitable giving tax deductible. Those over the age of 70 are especially able to utilize those strategies. Timing is key, as implementation has to occur before the end of 2018. Please join Joel Barlow, CPA, CFP® for an information workshop on Thursday, November 29, at 6 p.m. in the Parish Hall to learn more. If you are unable to make the workshop and have questions, please contact the Joel Barlow at 205-915-0155.

Hope to see y'all there.
