From the Pastor's Desk

My Dear People:

Today is the Feast of Christ the King. Think about this for a moment. How long does a king live? King Louis XVI died at the age of 34. Julius Caesar died at the age of 56. Napoleon Bonaparte died at the age of 52. When a king dies, who cheers him centuries later? Caesar is a blurred image on an ancient Roman coin. Napoleon has a tomb somewhere in Paris. But who would do anything for these kings of the past? There is only one King who has been seen alive by hundreds of people after His death. Today a billion people hang on His every word and would do anything for Him. He is the King of Kings!!!

When I was attending McGill High School in Mobile, we had a parade downtown in honor of Christ the King. It was led by the local bishop carrying the monstrance containing Christ our King. All the Catholic school children were in that parade! We acknowledged Christ as our personal King.

Bishop Baker reminds us that in 2019 the diocese is having a Eucharistic Congress, which is usually a procession in the streets with the Blessed Sacrament and then adoration in the Civic Center. With prayer and a recommitment to our baptism, we recognize that Christ is the center of our lives and He is also our King. This is something we need to share with others.

How did we get incorporated into His kingdom whereby He is our personal King? It happened at baptism when God took us from darkness into light and into the kingdom of His beloved Son.

Every baptized person belongs to His kingdom and should celebrate Jesus as King. When Pilate asked Jesus, "Are you King?" Jesus did not deny it, but admitted it and said His kingdom was not of this world. He would not be a material King even though the whole

material world is His. He wants to be King of our hearts and souls.

We see Christ our King as an example of reaching out to all people, even the marginalized. He promised the "good thief" a place in His kingdom. That good thief always makes me wonder. He must have been seeking the "true," the "good," and the "beautiful," and he found it in the most superior and God-like way in Jesus of Nazareth. He had the grace to see Jesus as a King whose reign is mainly in the next world. As the good thief said to Jesus:

"Remember me when you enter into your kingdom."

Jesus answered:

"This day you will be with me in paradise (my kingdom)."

Somehow, in the midst of all the human degradation, the good thief recognized Someone who rose above it all.

Congratulate Jesus this Sunday on His kingship. Every day, but especially today, we see Jesus as our King and pray:

"Lord, remember me and help me enter into your kingdom."

With prayers and blessings,  
Father Muller

P.S. We had another very successful Blood Drive this past Sunday. The Red Cross was very pleased, again, with the wonderful turnout at OLS. Our goal was 53 units, and Our Lady of Sorrows collected 57 units! We are the #1 donor Church in the State of Alabama! My thanks to all who donated, and to the Knights of Columbus who work so hard to make the blood drives so successful.
