From the Pastor's Desk

My Dear People:

In my book *The Holy Sacrifice*, I mention the incredible blessings to the parish and others of Perpetual Adoration. Less this is still a secret to some, let me say:

Thanks to Eric Dooley we have a live telecast with the camera in the Chapel, and there are those shut-ins and others who pray to Jesus in front of the live image on their screen, knowing He is alive at a particular place and adored by others. A person can go online to YouTube.com and find our adoration Chapel or find the video link directly from our parish website.

Incredible facts:

1. Since the camera was installed, over 2 million people have turned it on with an average viewing (and praying) time being 45 minutes.
2. Eric has listed the top 32 countries, who have viewed this sight since the camera was installed in 2016.
3. An average of 200 people watch every hour of the 24 hours.
4. The sight has been viewed over 101 million times since the camera was installed.
5. The top six countries, in order of frequency, are: 1. United States; 2. Mexico; 3. Brazil; 4. Colombia; 5. Poland, and; 6. Canada.

I read a letter last week from someone in Texas claiming that he has seen the Host have quick little movements, with alternating colors of pink, blue and grey. It happens between 12 and 3. He thinks his eyes may have played a trick on him and wanted to know if anyone else has observed this.

I received another incredible letter from someone who, for years, has had a great devotion to Jesus in the Host. He stated the following:

1. In 2000, he made daily visits for three months to the Chapel because his twins were born 10 weeks prematurely, one 2.5 lbs. and the other 1.5 lbs. Today, February 2019, one has just been accepted to Spring Hill (Mobile) and the other to Loyola (New Orleans).
2. In November 2013, his wife had quadruple bypass surgery. Afterwards, she contracted an infection and the surgeon stated he did not think she would make it. He spent endless hours in the Chapel of Our Savior, praying, and today she has gone back to work as a school teacher.
3. In January 2019, the family prayed endlessly in the Chapel for his own recovery from a brain hemorrhage, which usually leaves 2/3 either dead or with brain damage. After a week in the hospital, he is back and working as an attorney.

We have a book with petitions made and answers given to prayers in the Chapel. That book seems so thick at the end of every August 15, the anniversary and celebration of Thanksgiving. We celebrate that God has chosen OLS for the constant adoration of Jesus in the sacred Host with His very real presence.

Personally, Perpetual Adoration is the greatest blessing the parish has ever received. It is prolonging the Mass, which is a Sacrifice that every parish treasures so much.

With prayers and blessings,  
Father Muller
