

## Our Lady of Sorrows Church

November 22, 2020

From the Pastor's Desk

My Dear People:

Thanksgiving Day: The first thanksgiving was started by the first president of the United States, George Washington. He wrote a well-preserved PROCLAMATION on the subject of having a special day of Thanksgiving to God for the country. Interestingly enough, there was not a word about Family, Food, or Football. It was all about giving thanks to the Almighty. Below I will quote the first paragraph and excerpts from the rest of the proclamation given in the year 1789.

*Whereas it is the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and humbly to implore His protection...we have established a day of public prayer and thanksgiving to be observed by acknowledging, with grateful hearts, the many favors of Almighty God...I assign the last Thursday of November to be devoted by the People of these States to the service of that great and glorious Being, who is the Author of good in this country.*

*We are to unite in humbly offering our prayers to the great Ruler of Nations and beseech Him to pardon our national and other transgressions... we are to practice true religion, virtue, and generally to ask God to grant to all Mankind such a degree of temporal prosperity as He alone knows to be best.*

The letter from President George Washington in 1789 has given us a great reminder to be grateful, and Jesus gave us a stronger reminder. When Jesus healed 10 lepers and only one (Samaritan) came back to say thanks, the Samaritan fell at the feet of Jesus to thank Him. Jesus' great response was not "Get up...you should not have come all the way

back." Rather, Jesus must have had emotion in His voice as He said:

Where are the other nine? Were not 10 made clean? Has no one but this foreigner come back to say "thanks" to God?

This is God, Himself, upset and disappointed.

The great lesson for you and me is:

God wants to be thanked!

There will be three Masses for those "in person," at 6:30, 7:30 and 10 a.m., and for those who will follow virtually, the Masses will be streamed into your homes at 7:30 and 10 a.m.

There is no greater prayer of Thanksgiving than offering Christ to the Father, as was once done in a bloody way on Calvary. There is also the giving of food to the poor in different ways. The Immaculate Heart of Mary Guild supplies bags as reminders that we fill them up and bring them to the church, which will then be carried to the Catholic Center of concern.

### Special Holy Hour in honor of Christ, the King.

Because this is one of the greatest feasts of Jesus, recognizing Him as our King, the Liturgy Committee has strongly asked for a special holy hour this Sunday in honor of Christ, the King of the Universe. The Church building, with more space than the Chapel, is the ideal place for this hour, along with the accommodations for Benediction at the end of the hour.

We pay honor to Christ, the King of the Universe and pray that His kingdom will grow. We feel the need to beg His help for the growth of His kingdom. Hence, that extra hour of adoration. Check the website for details. All are invited to show the Lord that

at OLS we have a special devotion to the King of Kings.

Lord, remember us and call us into the fullness of your kingdom.

So many thanks to so many who have wished me a Happy Birthday, with great promises of prayers, goodies, and best wishes.

With prayers and blessings,  
Father Muller

P.S. I plan to be at the Holy Hour, but I have a funeral of a longtime friend at 2 p.m. at Elmwood.

**Rezoning for New Parking**

Please pray that the Homewood City Council will vote to rezone the former Gorrie-Regan property to Institutional Zoning Classification so the property can be used by Our Lady of Sorrows. Because of Library expansion and the future potential use of Library property, there is concern that Homewood's offer to allow parishioners to use Library parking may come to an end in the future. Praise God our Parish is growing and so will the need for parking and buildings.
