

## *Our Lady of Sorrows Church*

March 28, 2021

*From the Pastor's Desk*

My Dear People:

This is the year of St. Joseph, as proclaimed by Pope Francis. So, in preparing this communique to you, our people, I asked Bo Lovell, a convert, what he knew about St. Joseph. He answered, "I know that I don't know enough about St. Joseph."

Facts on St. Joseph: Joseph is mentioned very little in the Scriptures, but when mentioned, he has a most unique place in salvation history.

1. Joseph was of the house of David. That is why Jesus was born in Bethlehem, the city of David and Joseph had to go there to register.
2. Joseph was known to be a carpenter and the father of the famous Jesus, the carpenter of Nazareth (Mary referred to Joseph when she said to Jesus, after finding Him in the temple, "Your father and I have been looking for you.")
3. The Bible tells us so much that is important about Joseph, and tradition tells us more. I saw a picture of Joseph preparing some wood for a piece of furniture, and the boy, Jesus, holding a candle so Joseph could see what he was doing in the dark.
4. Joseph is the example of FAITH and TRUST. One message from an angel in a dream and Joseph picked up his few belongings and escaped to a foreign country, Egypt, with little or no money, and speaking a foreign language, because he was doing what God wanted him to do. He had to make sure that Herod's soldiers would not kill the baby Jesus.
5. The mystery of the conception of Jesus remained a mystery and a secret between himself and Mary. God told Joseph, through an angel, that Mary

- conceived by the Holy Spirit, and unique as this was, Joseph was to accept and live with this revelation.
6. Because His son, Jesus, the God-man, started a Church, Joseph was named patron of the Church.
7. Joseph was known, as the Scriptures say, as a "just man," which in those days was considered to mean "absolute holiness."
8. Tradition also tells us that Joseph died in the arms of Mary and Jesus. So, Joseph is the patron of a "happy and peaceful death."
9. Joseph had a very close relationship with Jesus, and tradition tells us that this relationship continues to this very hour.

With this knowledge, so many Catholics have this great devotion to St. Joseph, especially the Italians, who have kept this devotion. When the famine hit centuries ago and many went hungry in Sicily, the Italians had group prayer to God through the intercession of St. Joseph. With an outpouring of prayer in the name of St. Joseph, the rains came. When this happened, there began a tradition of being thankful for those prayers to God through the intercession of St. Joseph.

Every year, on his feast, for centuries, the Italian tradition is to have a meal of thanksgiving for the poor. Altars are greatly decorated with different foods, which are to be given to the hungry. The food is voluntarily given, and it seems the tradition now is to invite people to eat the food and pay for it by making donations to feed the poor. Here, we give the funds to the Catholic Center of Concern.

The great lesson down through the centuries is APPRECIATION to St. Joseph for his intercessory powers with Jesus, with Whom he is still so close.

A million thanks to Marie Swift, Fran Robertson, and many others who decorated the St. Joseph Altar in the window of the Family Life Center. I have received so many

compliments on its unusual beauty. We will not forget St. Joseph.

With prayers and blessings,  
Father Muller
