From the Pastor's Desk

My Dear People,

One of the sins we tend to forget as we live the journey of life is the sin of "taking God's love, goodness and mercy for granted." It reflects the sinful ENTITLEMENT MENTALITY.

We like to think "salvation is free." It is as if we are entitled to it! It **isn't** free! Jesus paid the price for it on the hill of Calvary! He paid this price offering His life to the Father for us and He does not want us to forget it. His last supper was the institution of the Memorial Meal, a meal of offering in an unbloody way the sacrifice of Calgary. It exceeded the memorial meal of the Passover, which celebrated the freedom of the Israelites from Egypt. This meal of Jesus celebrates His death on the cross that we might be freed from sin! Jesus is reminding us that "freedom from sin" is not FREE! Jesus paid a heavy price for our freedom from sin.

In a smaller but important sense, there is the freedom we enjoy in this country: Freedom of speech, freedom of religion and equality irrespective of race, color, and creed. But this freedom is NOT FREE!

To enjoy this freedom, we must vote at the polls; we must pay our taxes, and some of us must serve in the armed forces.

In between Memorial Day and the holiday when we celebrate the freedom of this country, July 4th, we are reminded to be grateful to those who paid the ultimate price for our freedom. Following is a poem to remind us that freedom is not free:

I watched the flag pass by one day.
It fluttered in the breeze.

A Marine saluted it
and then he stood at ease.
Freedom isn't free!

I thought how many like him
have fallen through the years.
How many died on foreign soil,
How many Mothers' tears?
Freedom isn't free!

I wondered how many times
taps were blown,
a flag draped a coffin
Of a brother or friend.
Freedom isn't free!

I thought about a graveyard
At the bottom of the sea,
Of unmarked graves in Arlington
And places far away.
No, freedom isn't free!

On the Fourth of July, let us remember the year 1776, when the freedom of this country was born, when soldiers died for our freedom. Let us remember those who continue to fight to keep us free. Those in the military, who have pledged to keep us free, even at the cost of their lives.

We must go back and reflect on a higher level of our freedom, freedom from sin. It wasn't free... Jesus paid the price, the sacrifice of His life, for that freedom so that we might live with Him for eternity in perfect happiness. We celebrate that freedom at every Mass.

Congratulations to all fathers today.

Without exception, **we all** have a father, or we would not be here. Remember, we can never do for our parents what our parents have done for us. The fact is, fatherhood is not easy. Supporting a family, being a role model and wisely administering the discipline that is necessary in raising children requires great dedication born of one's commitment to God. Pray for and encourage fathers today. They seem to be the ones least encouraged.

With prayers and blessings,
Father Muller
